

From Signal to Certainty

How AI SensingSM Is Reinventing Home Security

Greg Bonsib

VP of Sales & Marketing, Origin AI

Wi-Fi NOW – 2025

The One Question That Matters

Is someone really there?

What Is WiFi Sensing?

The Smart Home Is Too Loud

Too many alerts

Not enough certainty

The Smart Home Is Too Loud

Too many alerts

Not enough certainty

The Smart Home Is Too Loud

VERIFIED
Alert

Introducing

TRUSHIELD SM

Introducing

TRUSHIELDSM

From ~~Motion Detection~~ to
VERIFIED Human PresenceSM

What Makes **OTRUSHIELD**SM

Different

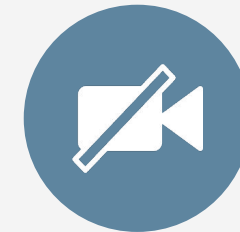

**AI Sensing
Engine**

+

Wi-Fi

+

**No
Cameras**

WiFi Sensing is a Platform

with plenty of use cases

OTRUSHIELDSM

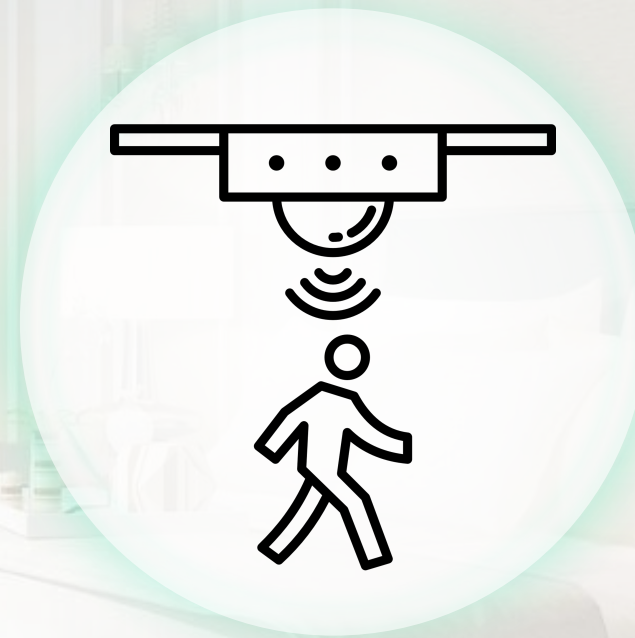

Verified Human Presence

The most important
advancement in home sensing
since the motion sensor

Traditional
Motion

Camera

OTRUSHIELDSM

**Massive
demand**

+

**Willingness
to pay**

+

**Layered
protection**

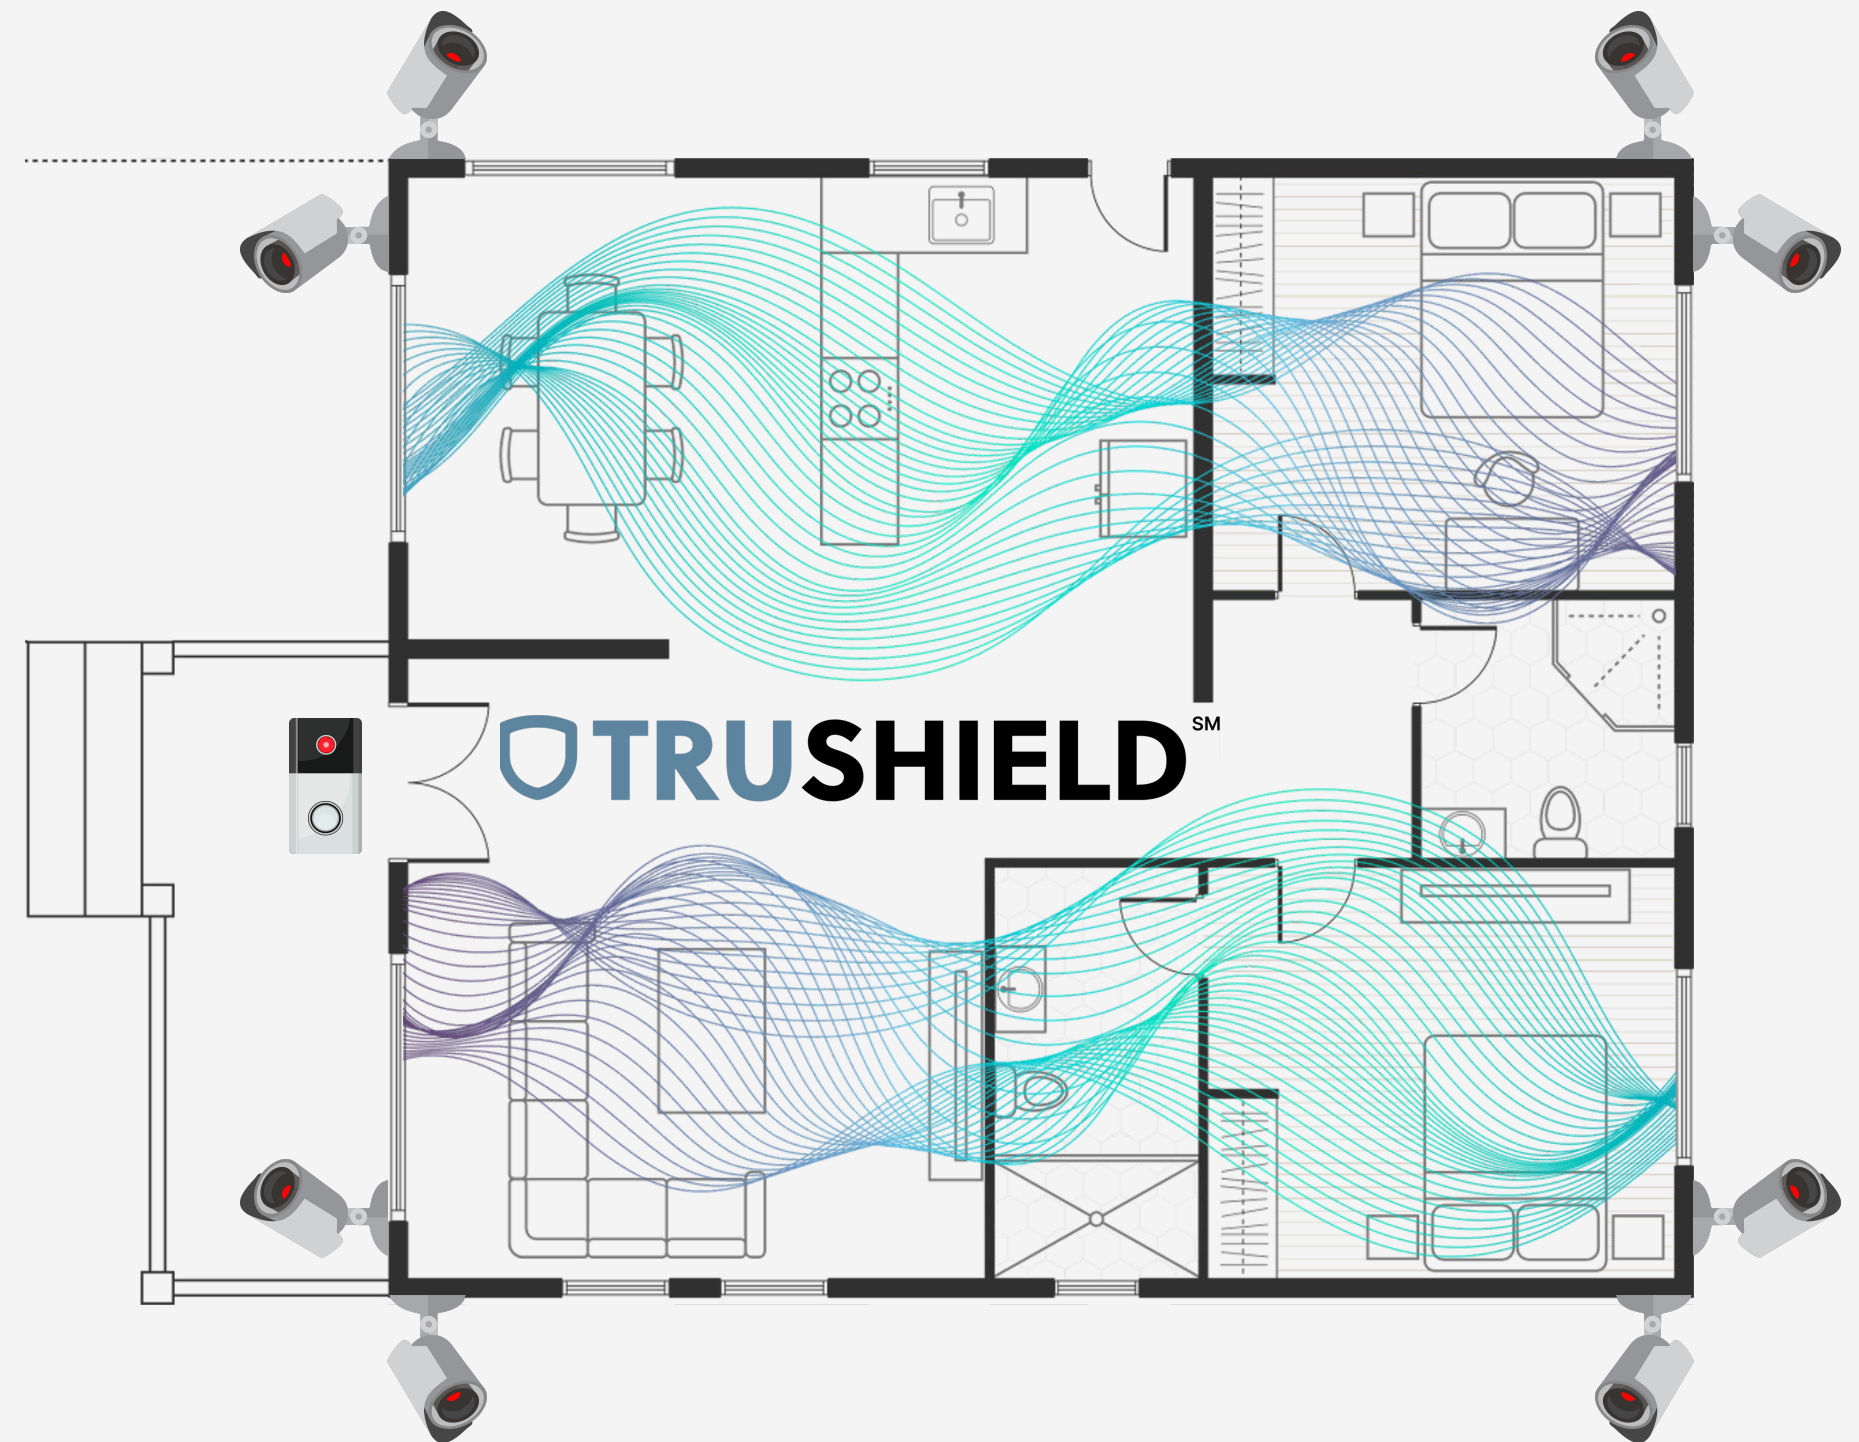

Why Home Security?

Layered Security Needs This Layer

Fills
the blind spots

Adds
whole-home intelligence

Real-World Results

+90 % reduction in false alerts

- No cameras
- No line of sight
- No new hardware

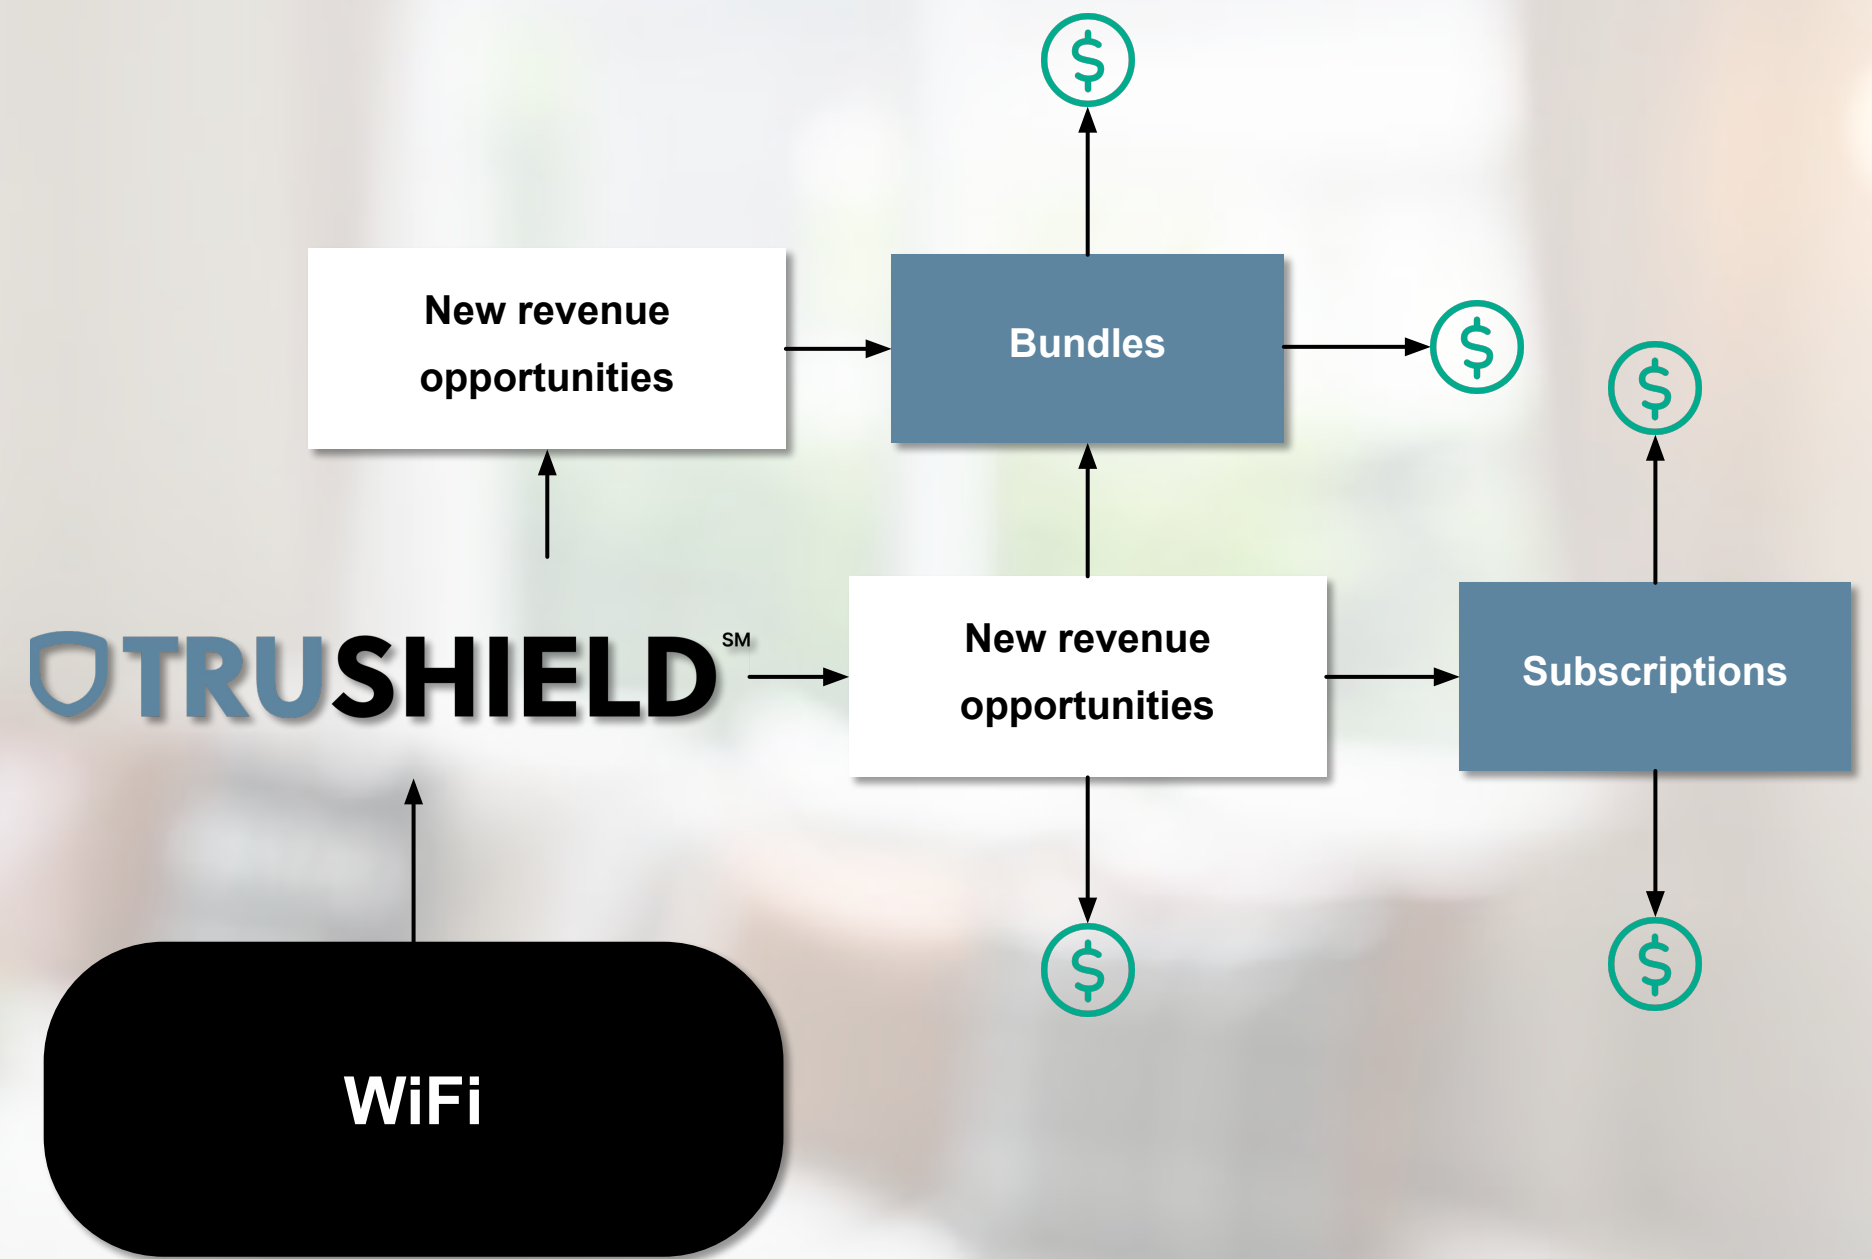

Consumer Value.

Provider

Revenue.

Turns Wi-Fi into a premium service

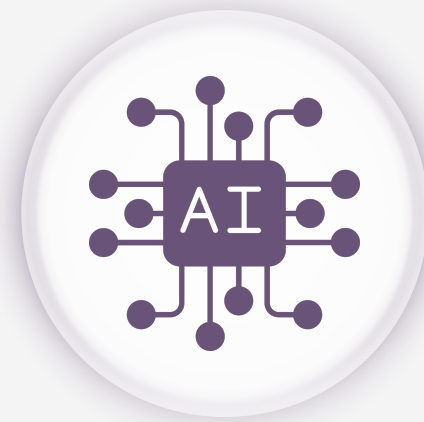

What Makes TruShieldSM Work?

**Standard
Wi-Fi**

**Edge
processing**

**AI motion
classification**

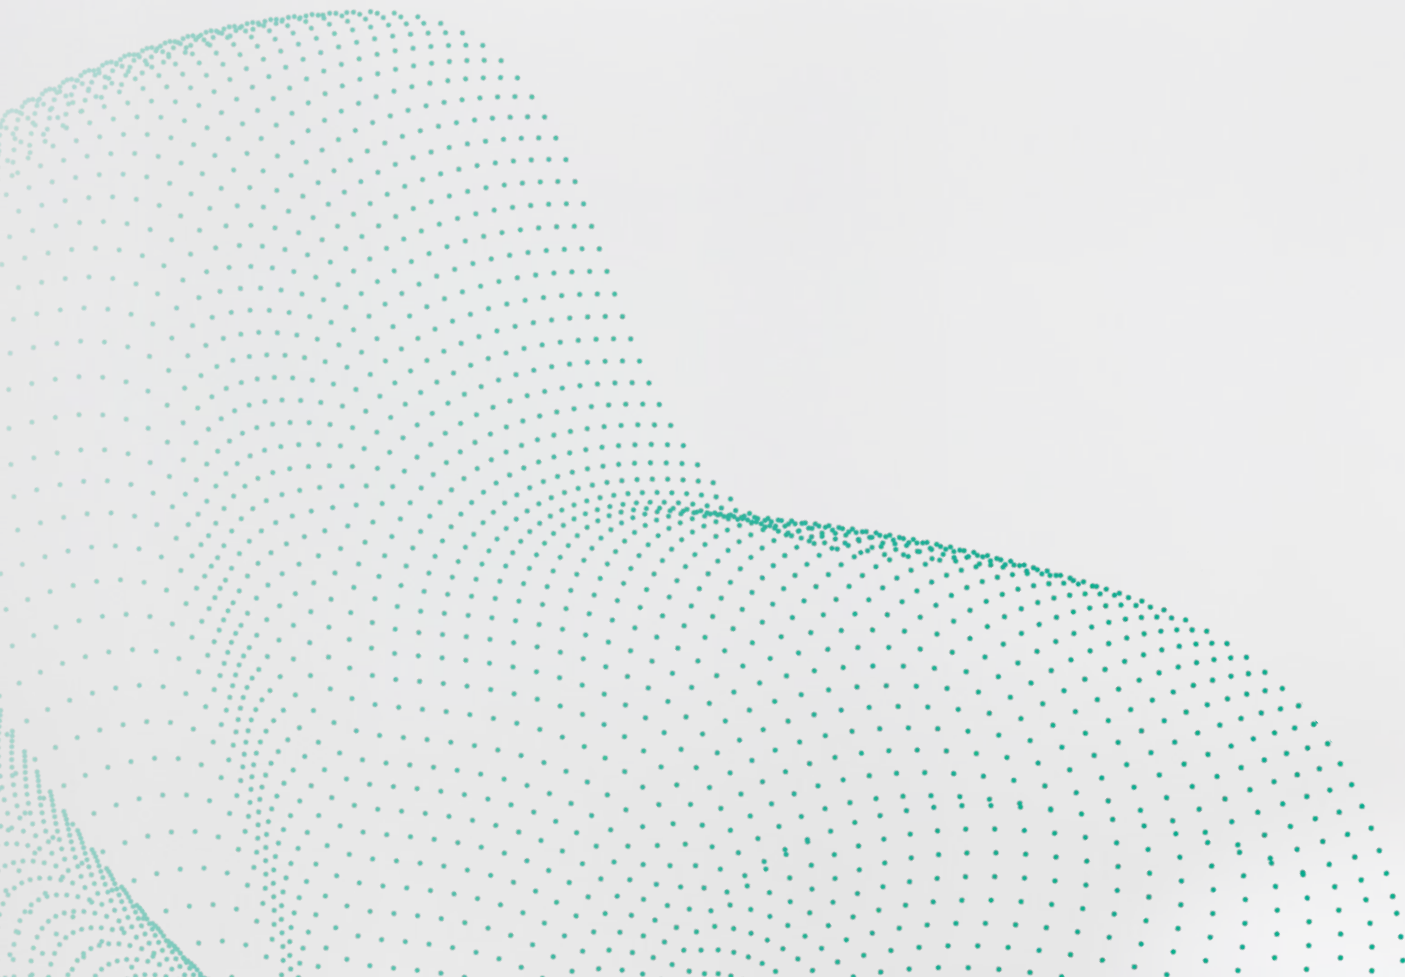

**Privacy by
design**

The Future of Home Security

Calm. Context-aware. Confident.
